VS Code · Visual Studio · SQL Server Management Studio · MySQL Workbench · PyCharm · Dev-C++ · Git · GitHub · Netlify · Cisco Packet Tracer · Cisco IOS · Windows · PowerShell

LANGUAGES

Spanish · Native

English · Advanced (TOEFL ITP)

SOFT SKILLS

Perseverance and continuous improvement

Self-directed learning

Problem solving

Curiosity about technology

Maximilian Benjamin Christen Osuna

Front-End Web Developer · Cybersecurity in training

PROFILE

Computer Systems and Digital Innovation Engineering student with experience building responsive websites with HTML, CSS and JavaScript. I am currently specializing in cybersecurity and networking, with Cisco certifications. I like pushing programs to their limits to understand how they work, and I don't stop until a project meets my standards.

EDUCATION

Computer Systems and Digital Innovation Engineering — Aug 2025 – Present
Universidad Politécnica de Sinaloa (UPSIN)

High school
ICO

PROJECTS

Gestiona Tu Futuro: personal finance app
Sign-up and login, income, expenses, budgets, savings goals, charts and recommendations. Data stored in the browser and passwords protected with PBKDF2.
JavaScript · React · localStorage · PBKDF2

Huella: sneaker store
Three-page website (home, catalog and contact) with a cart that keeps its products when changing pages. Designed from my own wireframes.
HTML · CSS · JavaScript · localStorage

CSS maze animation
A shape solves a maze, changes form (square, circle and star) and travels around the border in an infinite loop, using only CSS.
HTML · CSS · @keyframes · clip-path

Periodic table of elements
Complete periodic table built with HTML and CSS, with colors for each chemical family and custom fonts.
HTML · CSS · @font-face

CERTIFICATIONS · CISCO NETWORKING ACADEMY
